COVID-19 IMPACT ON THE COMPANY

In continuation of the preceding previous years, during FY 2020-21 too, the world witnessed the worst healthcare crises as a result of the spread and impact of the novel coronavirus (COVID-19) pandemic. The first wave in India which was visibly evident in Q1 of FY'21 gradually abated to reach near normal pre-COVID levels only by Q4 of FY'21. As a result of the pandemic, and like other industries including the healthcare industry, your Company's operational performance was severely impacted. As a result of the nationwide lockdown and travel restrictions, a sharp fall in occupancies was witnessed across the Company's facilities, primarily during Q1 & Q2 of FY'21.

Simultaneously, while occupancy declined, the Company also incurred incremental and unplanned expenditure due to operating costs related to COVID. These included costs related to infrastructure challenges, isolation areas, separate patient and work-flow areas, additional medical resources, and other necessary measures for the safety of the Company's patients, healthcare workforce and other employees. In addition, regulatory challenges primarily related to COVID aspects also constrained operations. Early signs of a gradual recovery began in Q3 FY'21 and with progressive quarters witnessing an increasing momentum in recovery.

ACKNOWLEDGEMENTS:

Your Directors place on record their gratitude to all Government agencies for the assistance, co-operation and encouragement they have extended to the Company. Your Directors also take this opportunity to extend special thanks to the medical fraternity and patients for their continued cooperation, patronage and trust reposed in the Company. Your Directors also greatly appreciate the commitment and dedication of all the employees at all levels, that has contributed to the growth and success of the Company. Your Directors also thank all the strategic partners, business associates, Banks, financial institutions and our shareholders for their assistance, co-operation and encouragement to the Company during the year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report as required under regulation 34 read with Schedule V of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, is as under:

GENERAL OVERVIEW ON INDIA'S HEALTHCARE SERVICE LANDSCAPE

Historically, people in developing countries have had lower access to health services than those in developed countries. Like most developing countries, India has limited healthcare infrastructure which is inadequate to meet the demands of a large and diverse population. However, it is also important to note that over the years, the Indian healthcare sector has changed from an unorganized sector to an organized one and also moved towards corporatization.

It is one of the largest economic sectors in the country, with regard to both employment and revenue. Various demographic changes like a bulging middle class with increased per capita income and growing awareness about diseases, increasing health consciousness among people, changing lifestyle, and a transition in disease profile, have led to an increasing demand for modern healthcare facilities, spurring the growth of the healthcare services sector. The system has therefore grown significantly and through the leverage of medical technology, has garnered many achievements in the treatment and modalities of cure for many diseases.

The country is successfully offering best-in-class healthcare treatment services at a fraction of the cost in other major markets around the globe. The reduced cost of life-saving drugs and medical devices, the evolved pharmaceutical industry, world class specialty hospitals in Tier 1 and Tier 2 cities coupled with a large pool of well-trained medical professionals, are other factors that have contributed immensely to the growth of the sector.

COVID-19 – IMPACT ON INDIA AND THE ECONOMY

The impact of coronavirus pandemic on India has been largely disruptive in terms of economic activity as well as a loss of human lives. Almost all the sectors have been adversely affected as domestic demand and exports sharply plummeted with some notable exceptions where high growth was observed.

From April to June 2020, India's GDP dropped by a massive 24.4%. According to the latest national income estimates, in the second quarter of the 2020-'21 financial year (July-September 2020), the economy contracted by a further 7.4%, with the third and fourth quarters (October 2020-March 2021) seeing only a weak recovery, with GDP rising 0.5% and 1.6%, respectively. This means that overall rate of contraction in India was (in real terms, adjusted for inflation) 7.3% for the whole 2020-'21 financial year.

In the post-Independence period, India's national income has declined only four times before 2020 – in 1958, 1966, 1973 and 1980 – with the largest drop being in 1980 (5.2%).

SEGMENT WISE/COMPANY WISE PERFORMANCE

The Company is engaged mainly in the segment of providing Medical & Health-care Services to the public at large.

OUTLOOK AND COMPANY OVERVIEW

The outbreak of the COVID-19 pandemic and consequent nationwide lockdown and other restrictions imposed by the government on movement across the country since March 24, 2020 is expected to severely affect the economic growth during FY 2020-21, especially in the first quarter.

At Dhanvantri, diagnostic and therapeutic services are being provided in the field of Urology, Cardiology, Neurology, Internal Medicine and Radiology. It has extended its scope of diagnostic and hospital services by providing a fully operational Cath Lab, catering to higher end needs of the cardiac patients including Angiography, Angioplasty, Pacemaker Implantation, Valvuloplasty etc. The medical equipment and technology used are latest and are continuously upgraded. We have excellent senior medical teams who can ensure high class of medical care.

OPPORTUNITIES

Poor nutrition, physical inactivity, long working hours, increase in stress levels, and increase use of tobacco and alcohol are some of the rising negative trends and habits due to increased urbanization and problems related to modern-day livings in urban settings.

Today, India has successfully evolved into a leading destination for the international cost-conscious medical traveler. Apart from the inherent cost advantage, high clinical success rates, top quality medical professionals, rapid adoption of technology and an increased number of globally accredited facilities have strengthened India's position as a preferred destination for medical tourism.

THREATS

Rising Costs: Input costs in healthcare are rising. Minimum wage revisions are underway in several categories of manpower; real estate continues to inflate; and import cost of equipment and consumables are high consequent to increase in INR / USD rate. Increased competition has also meant that compensation expectations for skilled manpower will go up.

Human Resources: Shortage of skilled manpower is an acute problem in this sector. Unless immediate steps are taken to increase the number of doctors, nurses and paramedical personnel, the shortage will lead to prohibitive costs and derail the industry in general.

Regulatory interventions: The intrinsic value of a service is more than just the cost of inputs. Any attempt to regulate the prices of healthcare inputs without providing for the comprehensive costs of providing quality services, will compromise the quality of care.

Medical Education: Brain Drain and inability to retain quality faculty will have a lasting impact on the quality of doctors graduating out of the medical school.

RISKS & CONCERNS

Given the manifold increase in scale and the expanded area of operations since inception, our organization is automatically exposed to a wider range of risks and uncertainties. At Dhanvantri Hospital, we identify business sustainability risk and opportunities on an ongoing basis.

The Company has constituted a Risk Management policy, which provides to identify, assess, prioritize, manage, monitor and communicate suitable measures to manage such risks. The Management periodically carries out risk assessment exercises.

CHANGE IS THE NEED OF AN HOUR FOR THE INDIAN HEALTHCARE SECTOR

In light of the pandemic of Coronavirus that the world continues to witness as nations including India continue to grapple with infected patients and try as best possible to provide adequate medical care within the constraints of the existing medical infrastructure, medical manpower and resources and lack of healthcare facilities in rural and semi-urban areas. This unprecedented medical disaster will expectedly force a re-think on India's medical preparedness and push for higher budget allocations in all segments of healthcare in order to become more self-reliant to serve the country's large population.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The internal control system has been designed to commensurate with the nature of business, size and complexity of operations and is monitored by the management to provide reasonable assurance on the achievement of objectives, effectiveness and efficiency of operations, reliability of financial reporting and compliance with applicable laws and regulations. The Company has institutionalised a robust process and internal control system commensurate with its size and operations. The internal control framework is supplemented with an internal audit program that provides an independent view of the efficacy and effectiveness of the process and control environment and through its observations provides an input to the management to support continuous improvement program. The internal audit program is managed by an Internal Audit function directly reporting to the Audit Committee of the Board.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial and operational performance of the Company was impacted during the FY 2020-21 due to the COVID-19 pandemic which started in February 2020 and the subsequent countrywide lockdown which started on March 24, 2020 for over two months. Further, the slow recovery of the overall business during the rest of the year also impacted the performance of the Company when compared with the previous financial year.

For FY 2020-21, the Company reported a consolidated net revenue from operations of Rs. 978.23 Lakhs compared to Rs. 1820.71 Lakhs reported for the Financial year 2019-20.

Your Hospital has been pre-entry certified by National Accreditation Board for Hospitals and Healthcare providers (NABH) for the delivery of high standards for safety and quality care to the patients.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

2020-21 was a year of global solidarity against COVID-19 pandemic. Our Company adopted a holistic approach, to manage not only the patients but our employees and their families.

We acknowledge the contribution of all our employees in our journey towards touching a large number of lives. We understand the value of diversity in culture, language, religious beliefs, genders and have been a key supporter to nurture the same in the company. Therefore, the group strives to build a conducive work environment which embraces diversity and fosters inclusion.

CAUTIONARY NOTE

Statements in this Management Discussion Analysis Report describing the Company's objectives, projections, estimates and expectations may be forward looking statements within the meaning of applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied. Important developments that could alter your Company's performance include increase in material costs, technology developments and significant changes in political and economic environment, tax laws and labor relations.

Independent Auditor's Report

To the Members of
DHANVANTRI JEEVAN REKHA LIMITED

Report on the Financial Statements**Opinion**

We have audited the accompanying standalone Ind AS financial statements of M/s DHANVANTRI JEEVAN REKHA LIMITED ('the Company'), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year ended, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and the loss and total comprehensive income(loss), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that

an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the Directors as on 31st March 2021 taken on record by the Board of directors, none of the Directors is disqualified as on 31st March 2021 from being appointed as a Director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2021:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
- (c) The title deeds of immovable properties are held in the name of the company.
- 2) The management has conducted the physical verification of inventory at reasonable intervals. No material discrepancy was noticed on such physical verification.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, in respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2021 for a period of more than six months from the date on when they become payable.
- (b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company did not raise any money by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Companies Act, 2013.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and hence not commented upon.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Dhanvantri Jeevan Rekha Limited

on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of Dhanvantri Jeevan Rekha Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year then ended.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act")

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Note: 2. Significant Accounting Policy**2.1 Basis of preparation of financial information**

- a) The accounts have been prepared in accordance with Indian Accounting Standards ("Ind AS") and disclosures thereon comply with the requirements of IND-As, stipulations contained in Schedule-III (revised) as applicable under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014, Companies (Indian Accounting Standards) Rules 2015 as amended from time to time, other pronouncement of ICAI, provisions of the Companies Act and Rules and guidelines issued by SEBI as applicable.
- b) The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. The presentation of financial statement is based on Ind AS Schedule III of the Companies Act, 2013.
- c) The financial statements have been prepared under the historical cost convention on accrual basis.

2.2 Historical Cost Convention

The financial statements are prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

- i. Defined benefit plan-plan assets measured at fair value.
- ii. Certain financial assets and liabilities.

2.3 Use of Estimates

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Company to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates.

2.4 Current versus non-current classification

The entity presents assets and liabilities in the balance sheet based on current/ non-current classification:

An asset is classified as current, when:

- a) It is expected to be realised or intended to be sold or consumed in normal operating cycle. b) It is held primarily for the purpose of trading. c) It is expected to be realised within twelve months after the reporting period, or d) It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is classified as current, when:

- a) It is expected to be settled in normal operating cycle. b) It is held primarily for the purpose of trading. c) It is due to be settled within twelve months after the reporting period, or d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The entity classifies all other liabilities as non-current. Deferred tax assets and liabilities are always classified as noncurrent assets and liabilities

2.5 Summary of Significant Accounting Policies**a) Valuation of Inventories**

Consumables etc. are valued at lower of the cost or net realizable value applying the First in First out Method (FIFO).

b) Depreciation

Depreciation on Tangible fixed assets other than land is charged on straight line method so as to write off the cost/carrying amount of assets. The useful life of assets as prescribed under Part C of Schedule II of the Companies Act 2013 and depreciation is charged on that are on the following basis:

1. Depreciation on All Assets is charged at Straight Line Method basis in the manner as prescribed in Companies Act 2013 and rate as per prescribed useful life

Note: 22 :
Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
